SKILLS

Languages:	C++, Python, C, JavaScript
Web Technologies:	HTML5, CSS3
Tools/Platforms:	Git, GitHub, VS Code, Autocad
Core Subjects:	Data Structures & Algorithms (DSA), OOP, DBMS, Operating Systems, Computer Networks
Soft Skills:	Problem-Solving, Team Player, Leadership & Initiative, Time Management & Adaptability

PROJECTS

Rock-Paper-Scissors Game (User vs Computer)	Jul' 24
- Developed an interactive game application in Python allowing real-time gameplay between the user and computer AI. - Engineered randomized decision algorithms, round evaluation matrices, validation handling, and live score counters. - Optimized state management routines and input parsing to ensure flawless real-time interaction and zero game-loop exceptions. Tech Stack: <i>Python, Game State Logic, CLI / Control Flow</i>	
AI Assistant Siri (Desktop Voice Assistant)	Aug' 24
- Built an intelligent desktop voice assistant in Python utilizing speech recognition and automated query processing. - Implemented voice command parsing for web search automation, application triggers, and synthesized voice feedback. - Designed modular command architecture for rapid integration of custom OS-level tasks and web scraping utilities. Tech Stack: <i>Python, SpeechRecognition, Pyttsx3, System / Web Automation</i>	

TRAINING

Cyber Security & Safe Internet Practices Community Development Program	May' 26 – Jun' 26
- Conducted interactive cybersecurity awareness sessions for 100+ school students, focusing on cyber threats, phishing scams, and safe internet browsing habits. - Delivered hands-on sessions on credential hygiene, two-factor/OTP verification security, personal data privacy, and mitigation of online financial fraud. - Promoted digital safety and responsible social media usage across the community, completing 30+ hours of dedicated educational outreach.	

CERTIFICATES

Computer Programming iamneo	May' 26
Programming in C Infosys Springboard	Mar' 26
Digital Leadership in Business Simplilearn	Oct' 25

RELEVANT COURSEWORK

Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems, Computer Architecture, Discrete Mathematics, Software Engineering

EDUCATION

Lovely Professional University	Phagwara, Punjab
Bachelor of Technology in Computer Science and Engineering	2025 – 2029
Lala Deep Chand Jain Public School	Mohali, Punjab
Class XII (Senior Secondary, CBSE Board); Percentage: 73%	2025 – 2026
Lala Deep Chand Jain Public School	Mohali, Punjab
Class X (Secondary, CBSE Board); Percentage: 91% (Distinction)	2023 – 2024
